## GAME PLAY

All normal high school rules apply except for the following:

- Games will be played using 20 minute halves with a running clock. The clock will stop in the last 2 minutes of the second half unless one team is ahead by 15 or more points.
- Teams will receive three full time-outs per game. Time outs will not carry over into overtime.
- Overtimes will be 2 minutes and teams will not receive any additional time outs.
- **Each team MUST provide a volunteer to run either the clock or keep the book for every game. If a scorekeeper is not provided, the team will forfeit the game.**
- Warm up time will vary based on how much time is left until the top of the hour. All games will start on time.
- In case of ties in pool play, seeding will be determined by; A) Head to head competition, B) Point differential with a maximum of 15 points for an win or loss, C) Total points allowed, D) Coin flip.

## MISCELLANEOUS

- The **Tournament Headquarters** will be located at **Chatfield High School**. Detailed results, pool standings and playoff brackets will be kept here. Please check in at Chatfield High School after your last pool game to make sure you know when and where your first playoff game will be. All Championship games will be played at Chatfield High School.
- All teams must check in prior to your first game. You will be able to check in at your game site. Failure to do so will result in forfeiting any and all wins.
- An **All Tournament Team** for each division will be chosen at the end of the tournament. Each team will get to nominate three players from your own team. Teams playing in the Championship Game may nominate four players. Not all players nominated will make the team. The nomination form is enclosed and **MUST** be turned in to a member of the tournament staff after your last game. **Very Important:** If you fail to turn in your nomination form, your players will not make the All Tournament Team.
- A player may not play for two teams in the same division. A player may only play for two different teams if they are in separate divisions. If a player is caught playing for two teams in the same division, BOTH teams will forfeit all wins.
- If needed, proof of age must be provided for all players. If proof of age cannot be provided, the entire team will forfeit any and all wins.
- **If a coach, player or parent is ejected from a game, they will not be allowed to participate in the remainder of the tournament, no questions asked. Poor sportsmanship from anyone will absolutely not be tolerated.**
- All decisions of the Tournament Director and tournament staff are final and cannot be appealed in any way.
- An entry fee of \$5 for adults and \$3 for children (age 12 and under) will be charged daily. This fee will get you into the games all day. Tournament passes will also be sold for \$12.
